Artists' Salon

Time: 7:00 pm

This February 21st MAFA will have its first ARTISTS' SALON. Come for a fun evening of art and conversations about art. Our purpose is to encourage each other by looking at the work of some of our MAFA members. The first 8 members who email Carol Curtis at seecgo@gmail.com will get the opportunity to have some of their work discussed by MAFA members. There will be specific criterion by which we conduct this critique so that the activity will be uplifting, challenging and encouraging for the artists.
